What that means (quick read)

- Kitty & Tom = co-“lightning rods” (13 votes each)
  Kitty survived by *power*, Tom survived by *relationships* + *timing* (until he didn’t).
- Jacques receiving 0 votes all season is absurd — he played a *true low-threat shield game*… until the Final 4 stress cracked him.
- Cody only taking 3 votes while holding a Legacy Advantage + being a visible connector is elite survivability.

🧠 STRATEGIC RANKINGS (YOUR LIST)

Most Strategic

1. **Tom**
2. **Sky**
3. **Jacques**

(Tom = endgame manipulation + idol timing pressure, Sky = positioned between power blocs, Jacques = structure-builder with perfect threat management… until he imploded.)

🗿 IDOLS & ADVANTAGES

Hidden Immunity Idols Found

- **2 — Kitty *(Naale Idol + Lawa Idol = the season's most stacked power holder)***
- **1 — Cody**
- **1 — MacArthur**
- **1 — Tom**

Other Advantages Found / Held

- **Cody — Legacy Advantage *(activated at the Final 6 window; last round to use it was Episode 15, and he did)***
- **Pete — Extra Vote *(from Exile twist; used in Episode 9)***
- **Carrie — Vote Steal *(found at a challenge; used at Final 5 on Tom)***

🥇 SEASON 7 AWARDS (STAT PAGE STYLE)

🎯 Performance Awards

💪 Best Physical / Challenge Beast — Jacques
***5 immunities + 6 total challenge wins* = he basically lived in "guaranteed safety mode."**

🔥 **Most Clutch Advantage Turn — Kitty**
She survived being the universal target by playing two idols in one Tribal:
***Naale idol on herself* + *Lawa idol on Scott* → 8 votes cancelled and Pete gets nuked instead.**

🛡️ **Best Defensive Survivor — Cody**
Low votes against + multiple power items involved + reaches FTC.
Even when he burns the Legacy Advantage at Final 6, it's the right survival timing.

🎭 Character / Story Awards

😈 **Biggest Power Player — MacArthur**
Idol holder, alliance centerpiece, survives the merge war, wins jury 6–2–1.
She becomes the "control + intimidation" finalist archetype.

🌀 **Most Chaotic Power Arc — Kitty**
13 votes against AND still made jury with a legendary double-idol swing.
That's main character energy even in elimination.

💥 **Biggest Collapse — Jacques**
Zero votes all season → wins key immunities → then Final 4 meltdown quit.
That's a "perfect game until the pressure hits" storyline.

🏆 Best Endgame Moment

Final 5: Carrie Vote Steal + Cody/MacArthur idols locked → Tom deleted
Carrie steals Tom's vote and votes twice, while Cody/MacArthur protect themselves with idols.
That's the cleanest "remove the last outsider" execution imaginable.

🧾 FINAL TRIBAL COUNCIL

Winner: MacArthur (6 votes)
Votes: Jasmine, Kitty, Laurie, Scott, Shawn, Tom

Runner-up: Cody (2 votes)
Votes: Pete, Sky

3rd: Carrie (1 vote)
Vote: Taylor

⭐ FAN FAVORITE

Spud 🏆
Even with a 17th place pre-jury exit, he wins Fan Favorite — peak “robbed comic relief icon” result.

If you want, I can also turn this into the same “Season Stats PDF page” style like your Season 6 file (with clean headers + little callouts like “season punching bag”, “MVP”, etc.).
